### Job Description

#### About Company:

#### **An ISO 9001 and CMM Level 3 Certified Company**

Keyideas Infotech Private Limited is a fast growing Software Development and Outsourcing Company that has catered to clients across North America, Europe, Africa and Australia. We offer IT Services and Consulting to both startups and large organizations such as Vestas, Indian AirForce, MindTree and more.

**Specialties:** Cloud Innovation, Enterprise Social Solutions, Product Engineering, Business Intelligence Solutions, User Experience Design, Web 2.0 Development, Digital Marketing Services, and Mobile Development including iOS, Android and Xamarin.

We provide services in several software platforms including Microsoft .NET and a variety of open source technologies including Linux, PHP, MySQL etc. Keyideas works with clients using several engagement models including dedicated offshore model, turn--key projects and onsite services and several hybrid models based on what suits the customer best. We also serve several industry segments such as banks and financial services companies, insurance, social media and healthcare industries among others.

We have development centers in New Delhi, Ahmedabad and Sales Offices in USA and UK. Read more at <https://www.keyideasinfotech.com/>
